## Due a repost Deagle.com (or Someone) Has a Dream

Thu 8:52 am +01:00, 8 Aug 2024

posted by ian

Kevin Boyle – No One To Vote For Aug 9, 2020

The following information was extracted from [www.deagle.com](http://www.deagle.com), which claims to be a “Guide to Military Equipment and Civil Aviation”.

There are online discussions about authorship of this site. One such comment is ...

According to their own website, Deagle provides news and intelligence on international military aviation and advanced technologies. The majority of the economic and demographic data used in the making of the forecasts is widely available by institutions such as the CIA, IMF, UN, USG, etc. You can see the most relevant data at every single country's page. There is a tiny part of data coming from a variety of shadow sources such as Internet gurus, unsigned reports and others.

I do not know if deagle.com's predictive 'information' is based on seriously considered assessment re coming events we know little about or absolute rubbish. However, the numbers involved are worth noting. There are worlds of pain in these figures if they are even close to being correct. Of particularly interest are the countries that 'deagle.com' predicts will be be "hardest hit".

In order of misfortune:

The UK (77% of the population [50 million people] will die)

Ireland (74% [3,700,000 people])

The USA (69% [227,000,000 people])

Germany (65% [ 49,000,000 people])

... Gulp ...

Here is a partial summary:

Country	Current Population	Population (2025)	% Survival Rate
1 United States of America	326,620,000	100,000,000	31
2 China	1,380,000,000	1,380,000,000	100

## David DuByne - Embrace the Awakening, Embrace the Cycle: The Water Bearer Returns

We see vast changes are occurring in every aspect of life exactly at the same time across the entire planet. Ask yourself why, and why at this time when vast electromagnetic Earth changes are timed out through October 2024 as the four gas giants form a square in the outer solar system that was last seen in 79 A.D., that our world is radically changing.

## Johan Oldenkamp - The Giza Star Clock and the Transition of the Ages

In addition to the three larger pyramids, there were in total also eight smaller pyramids on the Giza plateau in Ancient Egypt. To many, it is clear that the three larger pyramids refer to Orion's Belt. These three pyramids were built below on the surface of our home planet, just as these three stars are above in the sky ("As Above, So Below"). More info...
